

BEN MAXWELL

• Software Engineer •

ABOUT ME

I am a passionate Software engineer looking for a position within the Computing industry to fully utilise the skills and experience I have gained from my Computing education.

I have a passion for working within the industry to produce high quality software and enjoy working within teams of other passionate developers. In my free time I enjoy making music, playing guitar and reading about modern history.

EDUCATION

2017 - 2019 • City of Glasgow College
• HND & HNC, Achieved an A in both qualifications

2019 - 2021 • Glasgow Caledonian University
• BSc (Honours) Computing, Achieved Pass with Merit in third year and expect a 2/1 or above for my final result

EXPERIENCE

2016 Railway Engineering Associates Ltd
